

## GIANT Grip Gloves

Green/Orange

Pack Quantity: **Boxed in 120s / Packed in 12s**

Stay protected and comfortable with these high-performance grip gloves, designed for both durability and control. Featuring a high thermal value and ultra-comfortable fit, they're ideal for tough working conditions.

The latex-coated palm with a wrinkled texture provides superior grip, while the 2-ply cotton yarn knitted on a 7 or 10-gauge machine ensures strength and flexibility.

Finished with an over-locked cuff and double-dipped fingertips for added durability, these gloves deliver reliable performance day after day.
