

GIANT Ultra Gloves (Cut Level F)

Blue/Black

Pack Quantity: 120

The GIANT WEAR Ultraglove is a 13-gauge seamless blend of HPPE, Steel, Polyester & Spandex and with a cut level rating "F" provides the maximum cut resistance, under ISO 13977 included in EN 388:2016+A1:2018. The Ultraglove boasts a high-quality Polyurethane (PU) palm coating, ensuring this extremely lightweight, comfortable, and very dexterous glove is perfect for high-pressure cut applications.

With ever-increasing health and safety requirements on construction and civil engineering contracts, the Ultraglove provides the ultimate hand protection solution, ensuring complete compliance, and safety for workers.

LIMITATIONS OF USE

Maintenance	Examine gloves for damages, splits and holes before each use. Always replace damaged gloves. Only properly fitting gloves guarantee protection and grip.
Storage	Store at normal room temperature in a dry, well ventilated area. Avoid direct heat radiation.
Disposal	Used gloves can be contaminated. Dispose with household waste or as instructed by your local authority.
Cleaning	Do not wash. The performance of the product after laundering is unknown. Beat or brush out after each use, depending on level of dirt.
Durability	The period of use depends on the degree or intensity of use in the retrospective application. It is therefore not possible to provide a 'life span' of the gloves.
Note	Due to the nature of this product the user is advised to carry out their own risk assessment before use, depending on application.
