

GIANT FR/ARC Flash Hi Vis Cargo Trousers

Yellow

Pack Quantity: 1

Engineered for performance, visibility, and protection, the GIANT FR/ARC Flash Hi Vis Cargo Trousers are built to perform in the most demanding environments. Constructed from durable yet lightweight materials, these trousers offer long-lasting wear without compromising on comfort. The comfort stretch waistband ensures ease of movement throughout the day, while a large rear belt loop provides added support and security for your work belt. The externally mounted top-loading kneepad pockets offer easy use and eliminate the frustration of kneepads slipping out from bottom-loading styles. The full Hi-Vis Yellow fabric and retroreflective tape enhance wearer visibility, making these trousers ideal for low-light or roadside work environments. Pair them with a Class 3 upper garment to achieve full-body Class 3 visibility compliance.
