

## GIANT FR/ARC Flash Hi Vis L/S Polo Shirt

Yellow

Pack Quantity: 1

The GIANT FR/ARC Flash Hi-Vis Long Sleeve Polo Shirt is designed for maximum protection, comfort, and visibility in high-risk environments. Made from a durable 240gsm Protal blend of polyester, cotton, and viscose, this garment offers inherent flame retardant and anti-static properties that won't wash out over time. Featuring a contrasting navy FR collar and ribbed cuffs for added durability and style, it is finished with heat-sealed reflective tape to ensure enhanced visibility in low-light conditions. Ideal for workers requiring reliable arc flash and flame protection without compromising on comfort.
