

GIANT Premium Safety Helmet with Slip Ratchet

Pack Quantity: 1

The GIANT WEAR Premium Vented Safety Helmet is designed for reliable head protection and all-day comfort in demanding work environments. Featuring a durable eight-point harness with a self-levelling system, it ensures a secure and balanced fit, while the slip ratchet adjustment allows for quick and easy sizing. Ventilation slots promote airflow to keep the wearer cool, complemented by a high-quality, absorbent sweatband for added comfort.
