

## EVO TOOL 750ml Survey Linemarking Paint

750ml

Pack Quantity: 12

EVO TOOL 750ml Survey Linemarking Paint is a high-performance acrylic paint formulated with premium pigments, resins, and fast-drying solvents for clear, durable markings. Designed for versatility, it can be applied by hand, used as a spot marker, or paired with a line marking applicator across surfaces such as asphalt, concrete, gravel, and grass. Suitable for both wet and dry conditions, it is free from propane, butane, lead, and cadmium, offering a safer solution without compromising on quality.

### KEY FEATURES

- 750ml Cans
- Acrylic paints with a blend of high-quality pigments, resins, and fast-drying solvents
- Can be applied either by hand or as a spot marker, or alternatively used in conjunction with a line marking applicator
- Propane, butane, lead, and Cadmium free
- Wet and dry applications
- Suitable for use on asphalt, concrete, gravel, and grass
- Dry in 30 mins and fully cured in 24 hours
- Boxed in 12's

### DIRECTIONS FOR USE

- Check surface to be marked is dry and free from dust and grease
- Shake can vigorously until shaker ball moves and for 30 seconds afterwards
- Holding the aerosol closer to the ground will create a more accurate and dense line
- After use spray the aerosol upright (away from eyes and other obstacles). This will clear the nozzle
