

FR/ARC Flash Anti-Static Waterproof Bib & Brace

Orange

Pack Quantity: 1

This FR/ARC Flash Anti-Static Waterproof Bib & Brace is crafted from durable Microflex fabric to provide reliable wind and waterproof protection. Featuring adjustable shoulder straps and a flexible hem for a secure, comfortable fit, the garment also includes reflective leg tape for enhanced visibility in low-light conditions. Practical features such as a reinforced tool pocket on the right thigh and press-stud ankle adjustments make it ideal for everyday industrial use, while its anti-static properties help ensure safety in hazardous workplaces.

KEY FEATURES

- Anti-static bib and brace overalls made from 50% polyester, 50% polyurethane (170g/m²) Microflex fabric
- Reflective tape on the legs provides additional visibility
- Shoulder straps are adjustable to ensure a snug, comfortable fit
- Reinforced tool pocket on right thigh
- Press studs appear at the ankles
- Adjustable hem
- Wind and waterproof
