

Silver Waterproof Duct Tape

50mm x 50m

Product Code: HT02260

Pack Quantity: 1

High-strength, durable adhesive general purpose tape specifically designed to resist water and moisture. It is perfect for sealing, insulating repairing, masking, bunding & protecting surfaces in both wet and outdoor environments.

Waterproof duct tape is resistant to peeling, cracking, and lifting, even in harsh weather conditions, providing long-lasting performance in a variety of applications.

SPECIFICATION

	Value	Test Method
Total Thickness:	0.13mm	-
Peel Adhesion:	10 N/in	GB/2792-1998
Initial Tack:	15#	GB/4852-2002
Tensile Strength:	50 N/in	GB/7753-1987
Elongation:	20%	ASTM-D3759
Temperature Resistance Max:	60°c	GB/2792-1998

KEY FEATURES

- High quality polyethylene laminated duct tape with synthetic rubber
- Can be used for sealing, insulating repairing, masking, bunding & protecting surfaces
- Easy tear
- Great Holding power
- Great tensile strength
- Excellent conformability
- Suitable for multiple surfaces
- Perfectly waterproof
