

White Rock Salt/Grit

25kg

Product Code: **WP00009**

Pack Quantity: **1**

25kg bag of Marine salt harvested from sustainable sources around the Mediterranean Sea.

Contains Almost 100% pure sodium chloride meaning every particle plays a part in the de-icing process making it an efficient winter salt at battling ice and snow.

CONFORMITY

Conforms to BS 3247:2011, the British Standard for de-icing salt

PRODUCT FEATURES

- Marine salt harvested from sustainable sources around the Mediterranean Sea
- Almost 100% pure sodium chloride meaning every particle plays a part in the de-icing process making it an efficient winter salt at battling ice and snow
- White salt does not leave behind the same messy residue as traditional brown salt (grit)
- Perfect for pathways, pavements, playgrounds and commercial estate where cleanliness is important
- Is screened and has graded particle sizes for even distribution, which increases pedestrian safety and the working life of the equipment
- Free flowing and ideal for use in spreaders or by hand
