

De-Icer

600ml

Product Code: **WP00030**

Pack Quantity: **1**

Fast acting de-icer, formulated to effectively defrost windscreens leaving a clear finish for increased visibility. Melts ice fast and helps prevent Re-freezing down to -15°C.

PRODUCT FEATURES

- Easy to use aerosol spray
- Superior de-icing properties
- Works quickly leaving a bright streak free finish
- Does not contain harsh chemicals
- Operates down to -15°C

DIRECTIONS FOR USE

1. Remove any heavy deposits of snow
2. Direct spray close to the windscreen starting at the top, moving across and working downward holding spray in an upright position
3. When the ice melts remove the slush with the windscreen wipers

Note: Frosted surfaces are colder than air temperatures. Spray liberally top to bottom. Thick frost dilutes effectiveness. Re-apply in case of re-freeze. Avoid prolonged contact with paintwork and wipe off any excess with a clean cloth
