

DIATECH MOAB General Purpose Diamond Blade

Pack Quantity: 10

The DIATECH MOAB (Mother Of All Blades) General Purpose Diamond Blade is a professional long life blade which cuts all concrete, brick, clay, kerbs, and is also suitable for cutting light steel and asphalt. Suitable for multi-utility applications with a mix of hard and abrasive materials, making this an ideal diamond blade for utility contractors!

The DIATECH MOAB General Purpose Diamond Blade is not recommended to be used solely in asphalt, instead an asphalt-specific blade is recommended.

PRODUCT FEATURES

- Professional long life blade
- 15mm premium diamond segment for long life
- Ideal for multi-utility applications
- Fast cutting speed and long life
- Not recommended for continuous use in asphalt or cast iron

DB04341	350mm x 20mm
DB04342	350mm x 25mm

CONFORMITY

ISO & EN 13236

WHAT IT CUTS:

- All Concrete
- Brick
- Clay
- Kerbs
- Light Steel
- Asphalt*

Hand Held Saws

Floor Saws

CHECK BEFORE USE:

- The diameter & bore size are correct for the machine
- The blade is in good condition with no cracks or segment damage
- The flanges on the machine are equally sized
- The machine does not exceed the RPM marked on the blade
- The rotational arrows on the blade are correct in relation to the machine

CHECK DURING USE:

- The blade is free of segment damage or steel cracking
- The blade is not overheating
- That excessive pressure is not being applied
- The material is not too hard for the type of blade

*The DIATECH MOAB General Purpose Diamond Blade is not recommended to be used solely in asphalt, instead an asphalt-specific blade is recommended (see CP-ASH, S-ASH, BM-ASH, X-40 or APF-20).
