

## Ground Protection - Medium Duty Mat

8" x 4" (2400mm x 1200mm)

**Product Code: BF00330**

**Pack Quantity: 1**

Designed as a short and long term access solution, offering light/medium Ground Protection for construction, events and other outdoor sites.

Ideal for providing an access route or roadway to a site, which is suitable for medium plant and machinery, as well as work personnel and the public.

### PRODUCT FEATURES

- 8" x 4" (2400mm x 1200mm)
- Essential for the construction, civil engineering, or groundwork industries
- Lightweight but heavy-duty in nature
- Quick and easy installation by two people
- For appropriate protection over ground that is soft or sensitive
- Manufactured from 100% recycled Low-Density Polyethylene (LDPE)
- Weight tested to a maximum load of 10 tonnes on soft ground and 15 tonnes on hard standing areas or firmer ground
- Top surface has a highly engineered 'non-slip' surface
- Smooth bottom surface that substantially improves the grip and reduces slippage, even in the most challenging weather

**A Site speed limit must be adhered to when using this product**
